Guide to Profitable Dairying

RIGHT

DAIRY
NEWS

Now in its 17th year, **Getting the Basics Right** proudly continues its reputation as a comprehensive guide to profitable dairying. The 2018 edition will be a vital tool for dairy farmers to lift profitability and sharpen their skills and those of their staff. Condensing the latest management thinking into one quality publication, **Getting the Basics Right 2018** will cover all the key areas of successful dairy farm management and, as always, focus on driving productivity and real profit into farm businesses.

In the 2018 issue of **Getting the Basics Right**, our team of expert writers and journalists will provide pages of easy to follow articles on the critical areas of profitable dairy farming, including:

Mating Management

Calving

Animal Health

Milk Quality

Pasture Management

Feeding

Nutrient Management

Employment and Training

Farm Finance

Machinery

Innovation

And much more!
